No. 1376 P. 3

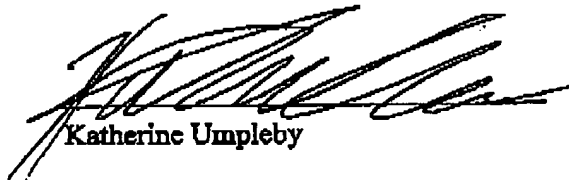

10/799,368  
E4337-00028  
Declaration of Katherine Umpleby,  
37 C.F.R. § 1.132

3. The patent application published under U.S. Publication No. 2004/0072593 cited in the Office Action mailed November 21, 2005 (U.S. Patent Application No. 10/317,035) is assigned to LongBoard, Inc. through a chain of title from the inventors to Mohair Networks, Inc. to Longboard, Inc.

4. Therefore, with the filing of the attached Recordation Form Cover Sheet requesting recordation of the signed original assignment from the inventors to LongBoard, Inc. in the application identified above, the patent application publication US2004/0072593 cited in the Office Action mailed November 21, 2005 in the application identified above and the application identified will have a common assignee and inventor, and therefore patent application publication US2004/0072593 is not an invention "by another."

The undersigned hereby declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
